Dear Colleagues,

First of all, we hope that you and your loved ones stays in good health during the current SARS-CoV-2 pandemic.

As you are all well aware of the current recommendations and restrictions given and set by the health authorities, we too have received recommendation from The Thoracic Society of Australia & New Zealand and Australian and New Zealand Society of Respiratory Science Ltd to suspend all lung function testing. The suspension will commence immediately from today until further notice.

We thank you for your understanding in this challenging time and will write to you again as soon as our services recommence.

Thank you.

Yours sincerely,

Holmesglen Lung Function Laboratory
