William Pianta is an Orthopaedic Surgeon specialising in Hip, Knee and Shoulder surgery. He takes a holistic approach to his patients' orthopaedic problems, assessing each patient within the context of their medical and social circumstances.

William completed his orthopaedic training in Victoria and has also completed a Trauma Fellowship at Western Health, a Hip and Knee Replacement Fellowship in Canada and subspecialty training in shoulder surgery in the USA and Europe.

William has special interests in:

- Hip replacement, including direct anterior approach
- Knee replacement, partial and total – utilising computer navigation and robotic-assisted
- Revision hip and knee replacement
- Shoulder arthroscopy and cuff repair/stabilisation
- ACL reconstruction surgery
- Fracture management
