

## COVID19 Holmesglen Private Visitor guidelines:

The safety of our patients, staff and doctors is our highest priority.

Commencing **Monday July 20th** we have updated our patient visitor guidelines in line with DHHS recommendations.

- **Inpatients will no longer be allowed any visitors during their stay.**
- We encourage patients and visitors to call each other or video chat wherever possible.

We understand that very exceptional circumstances may exist, please speak to the nurse manager of the ward or contact the hospital executive to discuss further.

Flower deliveries are welcome.
