Dr Ben Johnson specialises in the management of Paediatric Orthopaedic problems and trauma. He consults out of the Ortho Specialist Centre based at Holmesglen Hospital. He is on the trauma roster at Holmesglen Hospital.

### **Dr Johnson's areas of interest include:**

- Paediatric foot and ankle problems
- Paediatric knee problems
- Paediatric hip problems
- Limb deformity and limb length discrepancy
- Orthopaedic problems related to neuromuscular conditions
- Adult and Paediatric trauma including sports injury

Ben successfully graduated from St. Bartholomew and The Royal London School of Medicine with a Bachelor of Medicine and Surgery (MBBS) degree in 2004. He completed his basic surgical training in 2008 and became a Member of the Royal College of Surgeons of England (MRCS). He completed his Orthopaedic training on the Oswestry training rotation and was admitted as a Fellow of the Royal College of Surgeons of England (FRCS) and a member of the British Orthopaedic Association (BOA) in 2014.

He completed his fellowship in Paediatric Orthopaedics and Limb Reconstruction at The Royal Children's Hospital (RCH) in Melbourne in 2016. Ben has continued his Orthopaedic practice in Melbourne and became a Fellow of the Royal Australian College of Surgeons of Australia (FRACS) and a member of the Australian Orthopaedic Society (AOA) in 2019.

Ben actively participates in training Medical Students and Registrars on the Victorian AOA training programme and is a member of the Faculty of Clinical Examiners for the FRACS Orthopaedic examinations.

Ben has multiple publications in peer reviewed journals and has published book chapters on various Orthopaedic topics. He has presented at both national and international orthopaedic meetings and been awarded prizes for his research during his Orthopaedic training. He continues to pursue his research and academic interests.
