Dr David Sime is a Melbourne-trained consultant orthopaedic surgeon, specialising in hip and knee joint replacements; sports knee surgery including arthroscopy and ligament reconstruction; and upper and lower limb trauma in adults and children.

David grew up in the Bayside region of Melbourne, subsequently undertaking his medical training in Sydney at the University of New South Wales. In 2009, he graduated his Bachelor of Medicine and Bachelor of Surgery with first class honours. David subsequently completed a Masters of Surgery by research, graduating with first class honours at the University of Edinburgh in 2015.

David is a fellow of the Royal Australasian College of Surgeons and the Australian Orthopaedic Association. He is keenly involved in the training of future Orthopaedic Surgeons, and currently holds public appointments with Alfred Health (Sandringham Hospital) and Peninsula Health (Frankston Hospital).

Dr David Sime's special interests include:

- Total Hip Replacement
- Total and Partial Knee Replacement
- ACL Reconstruction
- Knee Arthroscopy
- Knee Realignment
- Upper and Lower Limb Trauma

Group Memberships:

- Royal Australasian College of Surgeons
- Australian Orthopaedic Association
