Dr Pak is a fellow of the Royal Australasian College of Surgeons and Australian Orthopaedic Association.

He is a medical graduate from the University of Melbourne and completed advanced orthopaedic training in Melbourne and Sydney.

He has completed advanced subspecialty training in shoulder & elbow surgery, knee surgery and orthopaedic sports medicine.

Dr Pak prides himself on utilising up to date surgical techniques including minimally invasive surgery with the benefit of optimised outcomes and early recovery.

He is currently a clinical leader involved in the expansion of orthopaedic services at The Werribee Mercy Hospital and has an academic appointment with the University of Notre Dame School of Medicine as a discipline leader in orthopaedic surgery.

Interests include:

- Shoulder and elbow arthroplasty
- Open and arthroscopic shoulder and elbow reconstruction
- Hip and knee arthroplasty
- Open and arthroscopic surgery of the hip and knee
