As a practitioner with patients who may need orthopaedic surgery, you need to know they will receive treatment to support the best possible outcome. And that your patient will be content with the surgeon and hospital you recommend.

At Holmesglen Private Hospital, relieving a patient's pain and helping them move again is the goal of all our surgeons, nurses, physiotherapists and care teams. Whether it's to treat hip & knee arthritis, sports injuries, spinal conditions, hand, shoulder, elbow, wrist and foot disorders, trauma or paediatric orthopaedic conditions, your patient is our focus.

We are open 24 hours a day, 7 days a week, with state of the art surgical facilities including:

- Emergency department
- Intensive Care Unit
- Onsite imaging – a comprehensive range of diagnostic and imaging services
- Rehabilitation – inpatient and outpatient

Even car parking is cheaper than most other private hospitals.

“ Patients feel really comfortable because we're in their neighbourhood, their community. ”
